Re: See Attached

Dear Mr. King:

The McLean Field Office of the GSA has been reorganized, and all of the leased buildings which had been our responsibility have now been reassigned to the Reston Field Office. The Reston Office is located in the John W. Powell Federal Building, which is the headquarters for the U.S. Geological Survey.

Any services you would have requested through this office should be requested through the following:

Mr. Jerry Cuthbertson
GSA Buildings Manager
Reston Field Office
Room 1B413 - Mail Stop 130
12201 Sunrise Valley Drive
Reston, VA. 22092
(703) 860-6001

Your assistance in monitoring the performance of the lessor is appreciated.

SAMUEL R. McCOY
Buildings Manager
McLean Field Office
